Gentlemen:

I am responding to your faxes of May 26, 1999 and May 18, 1999, in which you commented on a draft discussion paper generated in a series of meetings hosted by Assemblyman Machado and requested that future discussions include the City of Stockton and Stockton East Water District.

We will be pleased to include the City of Stockton and Stockton East Water District in any future stakeholder discussions on San Joaquin River and south Delta concerns conducted by CALFED. We look forward to working with you and others to resolve the pressing water quality, water supply reliability, and fisheries concerns facing the region.

If you have further questions or comments, please feel free to call me at (916) 657-2666 or Stein Buer at (916) 653-6628.

Sincerely,

Lester A. Snow
Executive Director
